

Suma® Bio-Floor® Cleaner

Bacteria Fortified Liquid Floor Cleaner and Deodorizer

A bacteria-enhanced, premium liquid floor cleaner with solvents.

Versatile

- ▶ Safe for use on quarry tile, ceramic tile and vinyl
- ▶ Visually lightens grout

Effective

- ▶ Cleans soils trapped in tile pores and grout
- ▶ Removes fat, grease and oil build-ups
- ▶ Beneficial bacteria continue to clean after mopping is complete
- ▶ Eliminates odors caused by fats and oils

Designed For

- ▶ Healthcare
 - ▶ Food Service
 - ▶ Lodging
 - ▶ Education
-

Use Overview

Suma® Bio-Floor® Cleaner is a bacteria-enhanced, premium liquid, floor cleaner with solvents. Provides a residual cleaning effect on quarry tile floors that can last several days. Great for removing the fats, grease and oils that can build-up in the grout and tile pores of floors, causing slip-fall accidents.

- ▶ Sweep up and remove solid waste from floor before applying. Dispense or mix proper strength solution of product and water in a mop bucket.
- ▶ Post "Wet Floor" signs and, using a clean mop, apply the cleaning solution generously to the floor, overlapping mop strokes. For best results, scrub the floor with a brush, especially if the floor has grout lines filled with grease and soils.
- ▶ Repeat if necessary on heavily-soiled areas. Pick up soil and excess solution with a tightly wrung out mop, wringing it out frequently, or squeegee to floor drain.
- ▶ Dry mop, squeegee floor dry or allow floor to air dry before reuse. No rinsing required. Once dry, remove "Wet Floor" signs. A potable water rinse is only required for those surfaces that may contact edible product. Pour unused **Suma® Bio-Floor® Cleaner** from mop bucket into kitchen floor drain for daily maintenance.

Note: Floors will be slippery when wet or contaminated with foreign materials.

Storage: Do not store in food processing or food storage areas. Shake well before using if product has settled.

Product Specifications

Description	
Certifications	CFIA, Kosher, NSF
Color/Form	Dark green, liquid
Flash Point	> 200° F (>93.4° C)
pH	9.4 (Concentrate) 9.4 (Use Dilution 1:32)
Scent	No fragrance added
Shelf Life	1 year
Solubility	Complete
Specific Gravity	1.04

Available Items

Product Code	Description/Package Size	Dilution
3163905	4 x 1 gallon / 3.78 L Containers	1:32–1:640

Safety Reminder

Please make sure your employees read and understand the product label and Material Safety Data Sheet before using this product. The label contains directions for use, and both the label and MSDS contain hazard warnings, precautionary statements and first aid procedures. MSDS are available on-line at www.diversey.com or by calling 888 352 2249.

Hazard Rating

HMIS	Concentrate	NFPA
2	Health	2
0	Flammability	0
0	Reactivity	0

4=Very High; 3=High; 2=Moderate; 1=Slight; 0=Insignificant.
