

SARAYA HR Solution Hand Sanitiser Fragrance Free

A sanitising hand rub that kills 99.9% of germs and bacteria and keeps hands feeling soft. Suitable for use in business and home environments.

Formula – A 65% ethanol alcohol solution

Moisturising – Contains emollient to condition the skin, allowing for repeated use without the drying effects associated with other products.

Delivery – Saraya has developed a unique, atomised spray method for its liquid solutions that easily penetrates the fingernails and cuticles – key areas of pathogen accumulation.
